

Rich Redmond

Actor, Musician, Producer, Author, Speaker, Spokesperson

Who is Rich Redmond?

Actor, Musician, Author, Producer, Educator, Motivational Speaker and Spokesperson are just a few of the titles that describe Rich Redmond. Whether performing a dramatic or comedic scene on camera, playing in front of 50,000 screaming fans, or motivating a room full of Fortune 500 executives Rich can do it all with an infectious and positive attitude. As a drummer Rich has played on 20 #1 hits and on every award, morning and late night TV talk show. As an author he has co-written a critically acclaimed book that is a best seller in five countries. Equally comfortable as an educator, inspirational speaker and product spokesperson, acting was the obvious next step for Rich. He is currently studying the craft in Hollywood and Nashville. Having played the role of Lieutenant Paxton in the horror film "Reawakened," Rich is on an exciting new career track that utilizes all of his passion and talents. If you are looking for a diverse performer who is capable of delivering in any situation look no further than Rich Redmond.
